NWSM tries its best to make everyone's music experience as positive as possible. To avoid future problems and confusion please read the information below. Please initial all points to indicate you have read, understand, and agree with the information and policies of Northwest School of Music.

____ Tuition is due by the 10th of each month. No partial month payments are accepted. Cash, checks, and credit card are accepted. There is a \$20 fee for late payments and returned checks. If paying by check, please write your child's name in the memo line so the correct account will be credited. If paying by cash, please use an envelope with your child's name written on the outside. For mail/Bill Pay please have tuition sent to: NWSM; P.O. Box 13573; Salem, Oregon 97309. To pay by credit or debit card, please call or visit the office.

_____ Monthly payments are each equal to 1/12th of a full year's tuition, and tuition is the same each month, regardless of the number of lessons in that specific month. Each student is guaranteed at least 45 sessions each calendar year.

_____ If given significant notice (three weeks or more) of upcoming extended vacations or other absences, reduced month tuition for those months may certainly be negotiated.

_____ Students are expected to continue lessons and practice during the summer. Please see the Studio Policies for information regarding options for summer lessons, including private, group, and camps.

_____ Please be courteous and give at least 3 weeks' notice if you intend to discontinue lessons.

_____ If the student is unable to attend his/her lesson, please be courteous and give at least 24hr notice. Makeup lessons cannot be guaranteed, but if the student wishes for one, the teacher will make an effort to accommodate a makeup. Lessons may be made up in the form of group lessons.

_____ Students must arrive in time for their lesson or class. Your lesson **time slot** is reserved for you—not a set number of minutes.

_____ Any siblings or other children who are in the vicinity of a lesson being taught must be quiet so that they do not create a distraction.
